

Bon dia,

Soc la Meritxell Corcoy, estudiant d'International Business Economics a la Universitat Pompeu Fabra. Al setembre, començaré el 4t i darrer curs del grau.

Em dirigeixo a vostès perquè estaria interessada en fer pràctiques a la seva empresa durant aquest estiu. El comerç internacional, operacions i màrqueting són els àmbits en els que m'agradaria especialitzar-me. Tot i així, la formació que he rebut m'ha permès tenir coneixements de finances i comptabilitat, recursos humans, logística, vendes... Per aquest motiu, estic interessada en qualsevol oportunitat que considerin dins del seu equip.

La UPF ofereix un programa de pràctiques amb possibilitat d'establir un conveni de cooperació educativa universitat-empresa. El mínim d'hores és de 125 amb un màxim de 800 per curs.

A l'espera de notícies seves, rebin el meu agraïment per la seva atenció,
